SUBJECT: Update- KS-22 Flow Testing Date (May 13, 2026)
48 HR. NOTIFICATION OF COMMENCEMENT OF FLOW TESTING
KAPOHO STATE 22 (KS-22) GEOTHERMAL WELL

Dear Mr. Evan Fujimoto:

Puna Geothermal Venture (PGV) is providing an update regarding planned flow testing activities for geothermal well Kapoho State 22 (KS-22).

Due to unforeseen circumstances, the previously anticipated testing date has been rescheduled. Testing is now planned to occur on May 13, 2026, or shortly thereafter.

Testing will be conducted during daylight hours only and is expected to last no more than four hours per day. All appropriate preventative and safety measures will be implemented in accordance with procedures approved by the Hawai'i Department of Health.

Should you have any questions or need additional information, please do not hesitate to contact me on (808) 965-2847.

Sincerely,

Summer Pakele
